

# Welcome & Thank you for coming out!

We would like to acknowledge we are on unceded Coast Salish territory.

Our goal today is to review Official Community Plan (OCP) objectives related to

## Community Services

# Process

We will go through the current objectives in the existing OCP, as well as new proposed objectives suggested by members of the community.

For each objective we would like to see a show of hands to indicate your support.

These objectives should articulate our broadly shared values and interests and will be used to inform the policies that guide and limit our local governments.

# Process

- Current objectives can be
  - kept as is (default)
  - kept with minor or major wording changes
